The following will be used to determine eligibility for the rain gardens. Please check each box that applies:

My property is in Stroudsburg Borough.

I own and live at the property being submitted for consideration.

I will be willing to have my rain garden included on a tour at the completion of the project.

I agree to maintain the rain garden.

I can assist in planting the rain garden.

At least one of my rain gutters drains to the front of my house. The gutter drains:
(check all that apply)

To my lawn To my driveway Is piped to the street Other
(describe)

There is space in front of my house for a small garden that could be located at least 10 feet away from my house and between my house and the street or sidewalk.

The area where I would like to have a rain garden is sunny, or shady.

Deadline to submit your application is July 30, 2010 (postmark date).

Note: The selection process will also look at the potential for reducing runoff onto Borough streets and controlling pollution going into the Borough's storm drain system. If you think a rain garden on your property will accomplish these goals, please describe how on the back of this form.
